Pick a Song, Any Song

On page 157, Justyce relates with a lyric from a Deuce Diggs song:

"All Jus knows is he's got this [terrible] feeling in his gut, kind of like somebody crawled into his stomach and ran a cheese grater over the inside. He needs to get rid of it somehow. Talk to someone who gets what he's feeling because they've felt it too. You know who gets it? Deuce Diggs. Jus had been listening to his music a lot since he woke up without a best friend... But of course Jus doesn't have access to Deuce Diggs; he can't just call him up and say: Hey dawg, I'm feelin' what you're feelin'. Can we talk?"
